CRISIS

Kirstie falling off her diet?

Kirstie has an uphill battle — 95 percent of dieters cheat, says diet expert Donna Fish.

The *Fat Actress* star is having a hard time winning the battle with the bulge — and splurging on her new diet isn't helping

After just two months on the Jenny Craig diet, Kirstie Alley appears

willpower is weakening. "I'd gotten cocky about the weight I was losing," she wrote in

Why rate dangerously ill again?
